Letter Lock™

3-Letter-Combination Padlock

***Easy to Use -
Easy to Remember***

Master Lock's new Letter Lock™ combines our popular combination lock with easy to dial and remember 3-letter combinations. Every indicator is clearly labeled with bold letters printed on the dial, making application and use as easy as A-B-C! Additionally, every lock comes with a fun, easy to remember phrase that makes usability almost effortless.

This new and creative product maintains the quality and trust that Master Lock Locker Locks have become known for across the industry. Every padlock includes patented BlockGuard® Dual Protection Anti-Shim Technology which withstands attempts to violate the latch mechanism. Color dials and control keys are available to accommodate all uses.

Patent Pending
