Mounting Instructions

Step 3: Insert the smaller circumference portion of the carrier bracket into the U-Lock. Bracket should fit snugly on U-Lock

Step 4: Carrier should resemble picture below

Bracket Insert

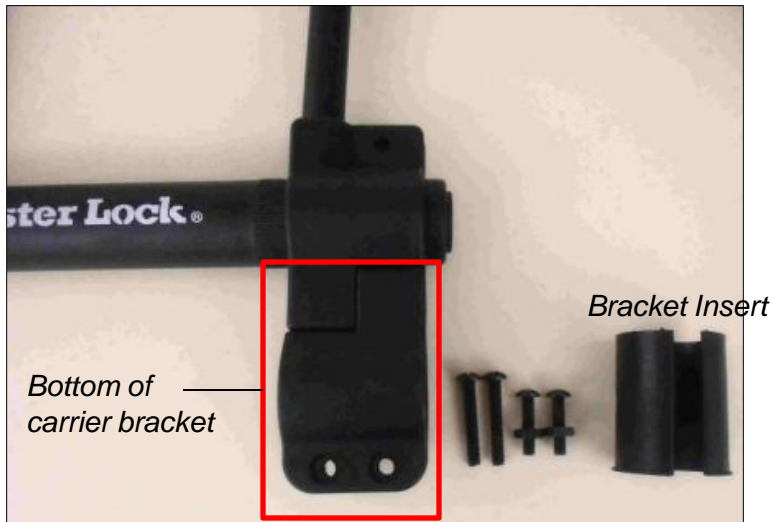

Multi-Purpose Fixed Bracket Mounting Instructions

Mounting Instructions

Step 5a: Mount carrier bracket to your bike frame and utilize the bracket insert for different size frames

Step 5b: To adjust the carrier bracket position, remove screw indicated below. Once screw is removed, adjust to your preference and tighten the screw
**Not featured on all brackets*

Step 6: Insert screws and bolts in remaining holes to secure the U-Lock to your bike. Use the appropriate length screws to secure the bottom of the carrier bracket.
