

Extra Large

Certified Key Lock Box Select Access®

Specially designed for home care services, CCTV companies and to consumers who are looking for the ultimate solution to share their keys and access cards safely.

Certified SKG** by the SKG test institute in Netherlands, the Select Access 5428EURD has a resistance of more than 3 minutes to opening attempts. Its zinc construction and burglar proof

design have been designed to withstand the most severe attack tests.

Select Access 5428EURD has an extra-large storage compartment to accept most types of keys or access cards.

Easy to use push buttons resettable combination (14 digits) offers up to 16,000 different codes.
