

Excell[®] Keyed or Combination Padlock

Key or combination: no need to choose!

The Master Lock Excell[®] M176EURDLH padlock includes a combination or key locking system with a backup key.

With its resettable 4-digit combination, the padlock allows 10,000 possible combination options.

Its construction and protective cover of the dials offer optimum resistance to weather and corrosion for outdoor use.

The padlock comes with 4 keys for convenience.
