Master Lock video promotes new Confined Space Covers

(MILWAUKEE, WIS.) – November 13, 2014 – Master Lock Company LLC is promoting the upcoming launch of its Confined Space covers with a short promotional video. It shows the potential dangers of confined spaces and how these new covers provide the best practice solution. View the video on the Master Lock YouTube channel at <https://www.youtube.com/watch?v=L8M5P8dtWwU>.

Available to order next month, other sneak peeks of these covers are available on the Master Lock Security and Safety Solutions social media platforms. This includes Facebook and Twitter: www.facebook.com/masterlocksecuritysafety, and www.twitter.com.mlsecuresafe. To learn more about confined space dangers and these covers, visit www.masterlocksafety.com/CSC.

The new Confined Space covers exceed the OSHA 29CFR 1910.146 standard for Permit Required Confined Space by providing required signage and offering effective barrier protection. Three models will be available, two lockable and one that is non-lockable elastic, with each offering four different sizes.
