UNIQUE FEATURES REDUCE INVENTORY COSTS

Padlock covers a broad range of applications and OEM keyways.

BENEFIT: Reduce the number of locks and space needed in your shop and vans.

Only the A3650 Series accepts KIK door cylinders and common padlock cylinders from American Lock, Master Lock and Abus.

BENEFIT: Upgrade one, some or all the locks in the key system with a single lock body.

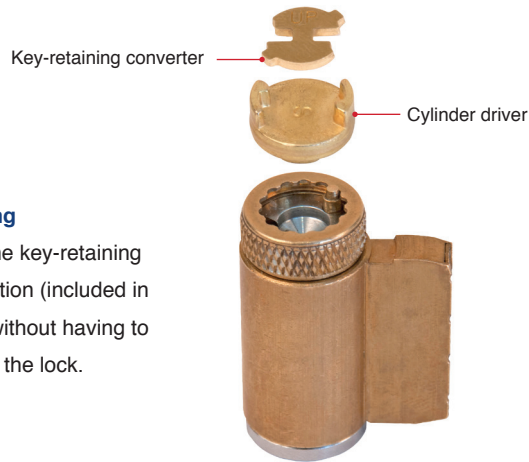

CONVENIENCE FACTORS SAVE TIME AND MONEY

Quick-change shackle

Change shackles on site without disassembling the lock or needing to carry multiple locks.

Key-retaining

Easily add the key-retaining security function (included in every lock) without having to disassemble the lock.

Full-factory keying & lock customization

The A3650 Series is backed by full-factory keying and lock customization services, so padlocks arrive the way you want and are ready to be installed.
