- 2-1/4in (57mm) wide shrouded solid brass body for superior corrosion resistance
- 1-1/16in (28mm) octagonal boron-carbide shackle with shrouded feature for maximum cut resistance

The Master Lock No. 1177 ProSeries® Resettable Combination Padlock- packed in carded packing for showroom display - is designed for commercial/industrial applications and features a 2-1/4in (57mm) wide shrouded solid brass body for superior corrosion resistance and a 1-1/16in (28mm) tall, 3/8in (10mm) diameter octagonal boron-carbide shackle with shrouded feature for ultimate cut resistance. A set-your-own combination feature offers convenience and security with 10,000 possible combinations - no reset tool required - and a deadlocking mechanism protects against prying, shimming and rap attacks.
