The Master Lock No. 410DRED Zenex™ Thermoplastic Safety Padlock - packed in carded packaging for showroom display - features a 1-1/2in (38mm) wide plastic red body and a 1-1/2in (38mm) tall, 1/4in (6mm) diameter metal shackle. Designed exclusively for lockout/tagout applications, the durable, lightweight, non-conductive lock body is easy to carry. Padlock features a high-security, reserved-for-safety cylinder with key-retaining function to ensure padlock is not left unlocked. This carded product is suitable for display in commercial showrooms.
