Grip Tight™ Circuit Breaker Lockout Set  
in Carded Packaging

- Grip Tight™
- 
- Includes one 491B and one 493B Grip Tight™ circuit breaker lockout device
- Grip Tight™
- 
- 
- 491B fits wide or tall breaker toggles typically found on high-voltage/high-amperage breakers
- 493B fits standard height and tie-bar toggles typically found on 120- and 240-volt breakers
- 

The Master Lock No. 506D Grip Tight™ Circuit Breaker Lockout Set is packed in carded packaging for showroom display. It includes one 491B and one 493B Grip Tight™ circuit breaker lockouts. The innovative and patented Grip Tight design effectively locks out circuit breakers with a simple operation and the durable construction with powder-coated steel and reinforced polymer stands up to harsh environments. Devices are compact and accept all American Lock® and Master Lock® safety padlock shackles and most lockout hasps. This carded product is suitable for display in commercial showrooms.
