

5480EURD

5480EURD Portable Lock Box - Select
Access

- Solid construction with resistant metal body for a better resistance to attacks
- Increased storage capacity to secure storage up to 10 keys (key fobs, cards and large keys)
- Integrated bin neatly secures items to prevent jamming when closing the door
- 4-dial set-your-own combination with large dials that are easy to read, grip and turn
- Faster and easier access with a quick, one-step opening operation
- Durable weather resistant cover protects the Select Access from the elements
- Removable coated hardened steel shackle of 10mm of diameter for easy placement in a wide range of locations
- For added security, consider installing Select Access in a discrete location
- Limited Lifetime Warranty provides peace of mind from a brand you can trust
