The Master Lock No. 6121LN ProSeries® Weather Tough® Covered Laminated Padlock multiple locks open with the same key - features a 2-1/8in (54mm) wide heavy steel body to withstand physical attack and a 5-5/8in (143mm) tall, 5/16in (8mm) diameter hardened boron alloy shackle for superior cut resistance. The exclusive cover protects this padlock from harsh elements & a high security, rekeyable 5-pin cylinder with spool pins is virtually impossible to pick. The blue, high visibility color cover provides the ability to distinguish between departments, employees, access, etc.
