

M5LJSTS

2in (51mm) Wide Commercial Magnum Laminated Steel Padlock with Stainless Steel Body Cover, 2-1/2in (64mm) Shackle

Trailers, Trucks, & Towing

-
- 2in (51mm) wide laminated steel body for superior durability
- 2-1/2in (64mm) octagonal boron carbide shackle is 50% harder than hardened steel
-
-
- Can be keyed into existing K1 or WP4 Edge® keyways

The Master Lock Commercial Magnum® No. M5LJSTS Laminated Steel Padlock with Stainless Steel Body Cover features a 2in (51mm) wide laminated steel body encased in a stainless steel body cover for maximum strength and weatherability. The 3/8in (10mm) diameter octagonal shackle is 2-1/2in (64mm) long and made of chrome-plated boron carbide, 50% harder than hardened steel, offering maximum resistance to cutting and sawing. The 4-pin cylinder prevents picking and the dual locking ball bearings provide maximum resistance against prying and hammering. Commercial Magnum offers a higher level of weatherability and security for applications in outdoor, corrosive and caustic environments.
