The Master Lock No. S32TEAL Global Zenex™ Thermoplastic Safety Padlock features a 1-3/8in (35mm) wide thermoplastic teal body and a 1-1/2in (38mm) tall, 3/16in (5mm) diameter non-conductive nylon shackle for superior corrosion resistance. Thermoplastic body withstands chemicals and extreme temperatures while being lightweight. Designed specifically for safety lockout/tagout applications, the high-security reserved for safety 6-pin tumbler cylinder complies with the "one employee, one lock, one key" directive. Write-on, multi-language padlock labels are included for on-site customization.
