OVERVIEW & FEATURES

Product Features

- Optical grade 360° magnification lens eliminates dialing guesswork
- Familiar rotary dial right-left-right functionality
- Unique lens design obscures combination from onlookers during dialing
- Tactile dial feedback at each number for precise dialing
- Soft touch dial ring for no-slip grip
- High contrast black on white numbers for improved visibility
- Prominent alignment indicator enables faster dialing
- Ideal for those with visual limitations due to farsightedness, computerrelated eye strain, or general aging
- Hardened steel shackle for extra cut resistance
- Same combination opens both padlocks

Product Details

The Master Lock No. 1588T Magnification Combination Padlock features a 2-1/8in (54mm) wide metal body for durability in assorted colors with an optical-grade magnification lens. The 9/32in (7mm) diameter shackle is 7/8in (22mm) long and made of hardened steel, offering extra resistance to cutting and sawing. The 3-digit combination offers keyless convenience. The locking mechanism features anti-shim technology, offering maximum security. The bright metallic colors simplify locker identification. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
