- 2in (51mm) Shackle clearance for more uses
- Stainless steel shackle and durable finish for improved weather resistance
- Black weather resistant thermoplastic shell provides outdoor protection against moisture, dirt and grime
- Brass 4-Pin tumbler cylinder for increased weather and pick resistance
- Dual ball bearing locking for maximum pry resistance

Product Details

The Master Lock No. 311SSKADLH Stainless Steel Padlock features a 1-9/16in (40mm) laminated steel body design, with a tough weather coated finish for maximum strength and reliability. The 9/32in (7mm) diameter shackle is 2in (51mm) long and made of stainless steel, offering extra resistance to cutting, sawing, and weather. A black weather resistant thermoplastic shell is designed to add protection against moisture, dirt and grime. The 4-pin cylinder prevents picking and the dual locking ball bearings provide resistance against prying and hammering. The Lifetime Guarantee provides peace of mind from a brand you can trust.
