- 4-pin cylinder for increased pick resistance
- Keyed Alike - Same key opens all three locks
- Lifetime Guarantee

Product Details

The Master Lock Magnum® No. M115XTRILF Laminated Padlocks feature a 1-7/8in (48mm) wide laminated steel body for maximum strength and reliability, and is surrounded by stainless steel and zinc outer components for weather resistance. The Rust-Oleum® Certified protection provides a lifetime guarantee against rusting on the lock body; and covered lock body, keyway, and shackle seals offer additional weather protection. The 5/16in (8mm) diameter octagonal shackle is 1-1/2in (38mm) long and made of Tough-Cut™ boron-carbide, 50% harder than hardened steel, offering maximum resistance to cutting and sawing. The 4-pin cylinder prevents picking and the dual locking ball bearings provide maximum resistance against prying and hammering. The Lifetime Guarantee provides peace of mind from a brand you can trust. Rust-Oleum® Certified Protection is a registered trademark of Rust-Oleum® Corporation.
