Product Details

Equipped with safety hasps, tags, and a premier collection of electrical lockout devices, this lockout station holds everything needed for electrical lockout. The station comes marked 'Lockout Station' in English, with Spanish and French labels included for optional application. Designed for departmental lockout needs, the station includes 8 hanger clips that each hold 2 lockout padlocks or hasps, and holes at the bottom offer a place for pegs or hooks to hang bulky devices. Durable construction helps ensure long life in manufacturing facilities. The covered station keeps out dust and grime and can be locked with a combination padlock to limit access if needed. The station measures 23.5 in wide x 15.5 in tall x 4.5 in deep (596mm x 393mm x 114mm).
