- Carded packaging for showroom display

### Product Details

The Master Lock No. S806D Adjustable Cable Lockout Device - packed in carded packaging for showroom display - is ideal for group and multi-point lockouts. Device features a strong, flexible, multi-stranded steel cable insulated with a clear plastic coating. A tough, lightweight Zenex™ thermoplastic body withstands chemicals and performs effectively in extreme conditions. Includes high-visibility, reusable write-on safety labels to identify the responsible person and then erase for the next job. This carded product is suitable for display in commercial showrooms.
