- Straight Bar Hasp
- Hardened steel staple resists cutting, sawing and hammering
- Zinc plated hardened steel for added strength and weatherability
- Mounting hardware included for easy installation

Product Details

The American Lock No. A825 Straight Bar Hasp features a 7-1/4in (184mm) long zinc plated hardened steel body for added strength and weatherability and accepts shackle sizes up to 7/16in (11mm) in diameter. Ideal for trailers, van doors, sheds, storage buildings and vending machines, the hardened steel staple resists cutting, sawing and hammering, providing maximum security. Mounting hardware is included for easy installation.
