- Ball-bearing locking mechanism provide extra pry resistance
- 4-pin cylinder helps prevent picking
- Limited Lifetime Warranty

Product Details

The Master Lock No. 312EURD Laminated Padlock features a 40mm wide laminated steel body for maximum strength and reliability. The 10mm diameter shackle is 25mm long and made of hardened steel, offering extra resistance to cutting and sawing. A blue weather resistant thermoplastic shell is designed to add protection against moisture, dirt and grime. The 4-pin cylinder prevents picking and the ball bearing locking mechanism provide resistance against prying and hammering. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
