Product Details

The Master Lock No. 656EURDBLK Set-Your-Own Combination Padlock with override key features a 48mm wide covered zinc body for strength, reliability and weather resistance. The 8mm diameter shackle is 27mm long and made of hardened steel, offering strong resistance to cutting and sawing. The dual locking levers prevents prying and hammering. The 4 dial combination security offers keyless convenience. The override key offers backup access as well as a lost code decode function, for never getting locked out in case of forgotten combination. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
