Product Details

The Master Lock Excell® No. M830EURDLH Solid Body Padlock features a 54mm wide solid steel body for maximum strength and reliability. The 9mm diameter octagonal shackle is 51mm long and made of Tough-Cut™ boron-carbide, 50% harder than hardened steel, offering maximum resistance to cutting and sawing. The 5-pin cylinder prevents picking and the dual locking ball bearings provide maximum resistance against prying and hammering. The covered keyway offers maximum weather protection, and reinforced body bumper protects against scratches. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
