Product Details

The Master Lock 4901EURDLH Biometric Padlock features a 56mm wide metal body for durability. The 9mm diameter shackle offers 51mm vertical clearance and is made of boron alloy, offering maximum resistance to cutting and sawing. The Biometric interface provides the ultimate ease of use and convenience, with no keys to lose or combinations to remember : the key is your fingerprint. The padlock supports multiple fingerprints to enable multi-user access and is easy to set up. The 2 Years Limited Warranty provides peace of mind from a brand you can trust.
