Product Details

The Master Lock No. 8271EURDAT Looped End Cable is 4,5m long and features 10mm diameter braided steel for maximum strength and flexibility. The protective vinyl coating protects against scratches. The padlock features a 40mm wide covered laminated steel body for maximum strength and reliability. The 9mm diameter shackle is 29mm long and made of hardened steel, offering extra resistance to cutting and sawing. The 4 pins cylinder prevents picking and the dual locking levers provide resistance against prying and hammering. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
