Product Details

The Master Lock No. 8275EURDPROBLK Keyed Cable Street Cuff® Lock is 1m long and features a 8mm diameter braided steel cable for maximum strength and flexibility. These anti-theft locks are perfectly adapted to secure e-scooters, bikes or pushchairs. The cuff measures 1m long for convenient locking to a parking meter, fence posts or another bike. The clip provides a lot of flexibility and can be fixed on many type of supports : wheels, bike handle bards, scooter electronic or scooter basement. The protective vinyl coating protects against scratches. The integrated pin tumbler keyed locking mechanism provides superior pick resistance. The Limited Lifetime Warranty provides peace of mind from a brand you can trust : in case of product default, Master Lock will replace or repair the product or part of it at its own discretion.
