## Overview & Features

### Product Features

- Disc brake lock to prevent roll-away theft
- Steel shackle
- Easy push button locking system with high security cylinder
- Disc key provides anti-picking resistance
- Bright red reminder cord to help remind you to remove lock before riding

### Product Details

The Master Lock No. 8303EURDPS Disc Brake Lock features a 80mm zinc steel body providing rust protection. The high security disc cylinder and steel shackle offer added resistance to picking and cutting. The bright red cord serves as a reminder to remove lock before riding. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
