- Limited Lifetime Warranty

Product Details

The Master Lock No. 9141EURDCOL Covered Solid Aluminum Padlock features a 40mm wide covered solid aluminum lock body that is durable and resists corrosion. The 6mm diameter shackle is 21mm long and made of hardened steel, offering extra resistance to cutting and sawing. The 4-pin cylinder prevents picking and the dual locking levers provide resistance against prying and hammering. The assorted colours simplify locker identification. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
